We are a name synonymous with relocation in the country. We have gained a foothold in the region by rendering end-to-end moving services much to the satisfaction of our clients. Our three decades of experience have familiarized us with the nitty-gritty of packing and moving like no other player in the business. We have earned trust and validation of legions of satisfied clients whom we served with our heart and soul and who have made us a reliable household name. We have not only ensconced ourselves in India, but have also gone ahead to serve as many as 182 countries globally. Having been conferred the FAIM PLUS certification, APML is now a FIDI affiliate. Additionally we are a proud member of IAM (International Association of Movers), USA and have our patent/TM registered in USA, Canada, Europe, Australia and many more countries. We are backed by a robust infrastructure and well-connected network with advanced technology and industry's most stalwart professionals, making us more confident than ever to come to the best service of our clients. We have transformed ourselves into a full-service moving company that takes up and pulls off both domestic and international relocation demands with equal technical expertise.

International Moving

- Our International freight services are affordable, reliable and always on time.
- We take all hassles and stress of your mind revolving around extensive paperwork and shipping formalities.
- We assign dedicated move coordinators to assist your entire move and also a special desk of experts to address your queries.
- Our international moving techniques are appreciated by our clients and peers alike.
- We set the benchmark with world-class packing materials that maximize the safety of your consignment coming with a sentimental value and minimize overall cost.
- We also serve you with quality storage facilities to store your goods for the time your move is underway with us.
- We offer you with ample peace of mind while assuring you of your goods in our safe custody and quick and easy retrieval from our storage facility right when you need them.
- We have suitable provisions for everything from a needle to heavy industrial machinery and several other items in between.
- Our fleets are padded and equipped with safety belts to keep your goods in place during the transit, making sure that your goods are delivered at the destination like they were picked up.
- Through our consolidated consignment services, we make sure your different types of goods travel together and arrive at the destination all at once.
- We measure our success with the smiles of our customers, and to make them even happier, we pass on to them the benefits accruing from a bulk buying contract with a shipping company, which also includes LCL or part loads.
- Eventually, this makes our 'A Class' service relatively affordable for our customers

We Move

HOUSEHOLD EFFECTS

The biggest challenge in moving personal effects is to ensure the safety of goods no matter if the move is just across the street, region, state, country or continent. We specialize in moving all sorts of household goods and delivering them in their exact pristine state.

COMMERCIAL GOODS

Are you into the business of export and import of commercial goods and materials? Then you must go for the right commercial moving company as safety of your goods must be your prime concern. We are well placed for the moving of any commercial goods and materials.

CAR / BIKE

When you choose to move your car, you then want it to be shipped the way it was picked up from the origin. Thus to accomplish that, we proceed with car movements very carefully and make your car shipment 100% safe.

INDUSTRIAL GOODS

One of the most difficult times for any business is when they have to relocate their warehouse and production facilities. Whether you are moving your factory to new space or just moving a single piece of equipment to a different location, we can cater for you and welcome the opportunity to speak about any of your industrial moving needs.

PETS

Moving pets demands special care and more attention than otherwise needed. Our considerate pet relocation services can help you comfortably move your pets anywhere across the world.

FINE ART

Fine art moving is one of the most delicate procedures that need to be accomplished with utmost care. Our method of Fine Art moving is discreet to a fault, making us one of the reliable movers for the job.

Beti Bachao Beti Padhao Campaign

In the support of Hon'ble Prime Minister's "**Beti Bachao Beti Padhao**" national campaign, our Group's Chairman, Shri Ramesh Agarwal has started a Bicycle Distribution program. On the 21st of every month, bicycles will be distributed to needy school going girls, so that they don't face any difficulty in commuting to their school regularly. This campaign has been initiated by him in the memory of his mother, Mata Sunheri Devi, who always favored girls to be educated and self dependent.
